

The planetarium that takes a field trip to you

A walk-in planetarium dome sets up in your gym for the day. Live, interactive space lessons for Pre-K through 12th grade, one or two classes at a time. We bring everything, run every session, and pack it all up.

20+

NGSS-aligned live lessons

50

students per 30-minute session

600

students in a full day

CPS

approved vendor, fully insured

PRICING

FULL DAY

\$1,499

Up to twelve 30-minute sessions, up to 600 students

HALF DAY

\$999

Up to four sessions, morning or afternoon, up to 200 students

ADDITIONAL DAY

\$1,199

Add a consecutive day for larger schools

Setup, teardown, equipment, and a live presenter are included. No per-student or per-session fees. Travel is included within 50 miles of Chicago; beyond that, pricing may be adjusted. Flexible-date and video-only options, plus funding help, at galaxyonthego.com/funding.

WHAT WE NEED FROM YOU

- An indoor space. Most gyms work. We prefer 12 feet of clearance, but our secondary low-profile dome runs under ceilings as low as 10 feet. Floor space minimum is 20 by 20 feet, 25 by 25 preferred.
- One standard outlet.
- Staff to bring groups to and from the dome and supervise students.

WHAT STUDENTS GET

- A live presenter on the same software major planetariums use, with grade-specific NGSS-aligned lessons: Night and Day through Exoplanets.
- Every student has the best seat. The dome is 360 degrees and the presenter is a couple of feet away.
- Optional 360° films from major science centers, or a video-only day if you don't need live lessons.

WHAT PRINCIPALS, TEACHERS AND PTAS SAY

"Such a cool experience for our students!"

Rita Tameling, Principal · Lombard, IL

"We appreciated that all the curriculum was age appropriate."

Steph Sverdlov, PTA President · Palatine, IL

"We will most definitely do this again next year."

Jennifer Musielak, Teacher · Munster, IN

BOOKING TERMS

- No deposit to hold your date. We can hold a date while you get internal approval.
- Move your date whenever you need to, right up to the day before. Earlier notice means more dates to pick from.
- Purchase orders, checks, and credit cards accepted. Approved CPS vendor.
- Fully insured. W-9 and certificate of insurance on request; your school added as additional insured at no cost.

HOW THE DAY RUNS

- We arrive 30 minutes before the first session and are packed out about 30 minutes after the last.
- Sessions run 30 minutes with 5 to 10 minutes between groups. Students walk in through a standing-height door; a full group is seated in about a minute.
- Full days include a 30-minute midday break for our presenter.
- Build the rotation yourself, or send us your bell times and lunch and we'll propose a schedule you assign classes to.

HOW TO BOOK

- 1 Send us a few dates that could work at galaxyonthego.com, or email hello@galaxyonthego.com.
- 2 We confirm availability and hold the date while you get sign-off.
- 3 We send the W-9, certificate of insurance, and anything your business office needs.
- 4 Set your session schedule. We show up and run the day.
